Report of Principal and School Improvement Council

Newberry Elementary School is located in the city of Newberry. Our total enrollment of 446 students during the 2007-2008 school year consisted of 67% African American, 19% Caucasian, and 14% Hispanic students; of these students, 90.93% qualified for the free or reduced lunch program.

Newberry Elementary is in its fifth year of being a Reading First school. Teachers are implementing a variety of scientifically-based reading research strategies that support best practices in reading instruction. They are actively engaged in professional studies, on-going collaboration, and sharing strategies that work within the classroom. Teachers continue to broaden their knowledge base, as they attend conferences, workshops, seminars, and conduct peer observations.

We will continue to provide parenting programs that will address strategies for parents, as they work with their children in the areas of ELA, Math, Science, and Social Studies.

Data collected from MAP, Dominie, and Stanford will be used to guide our instruction to meet the needs of all students. We have placed a heavy focus on small group instruction.

We have made great strides, and our students are the beneficiaries. But there is always room for growth.
